

“Stretch Your Imagination”™

ROUSE Instructions

ROUSE Matrix Systems

1 PREPARE MATRIX	 <p>Unfold Matrix</p> <p>Spray paint & extra adhesive if desired.</p>	<p>Matrix has lite coat of adhesive.</p> <p>To color Matrix, spray paint on top of adhesive, let dry, then add final coat of adhesive (3-M #77 is suggested).</p>	 <p>Stretch Matrix</p>	<p>Stretch open both panels of the Heart in the same way; starting in the same place, pulling in the same direction, correcting any twist in the straps as you go.</p>
-----------------------------------	--	---	---	--

TIP: Many paints are brittle when dry and will crack off the Matrix when the plastic is bent. Test paint before use.

2 PREPARE BALLOONS	 <p>Inflate & squeeze balloons</p>	 <p>Size balloons 4" diameter (10.2 cm.)</p>	 <p>Tie 50 balloons as singles with the knot near the lips of the balloon. These will be used to join the two halves of the heart and as replacements.</p>	 <p>Tie 274 balloons close together & cut off extra below knots OR tie at neck ends.</p>
-------------------------------------	---	---	---	--

TIP: The best balloon inflation size can vary depending on softness and slickness of balloons. Test for best results.

3 LOAD BALLOONS	<p>Load balloon pairs.</p> <p>Work on table or other flat surface.</p> <p>Start with opening at point of Heart.</p>	 <p>The top spot of balloon goes on strap.</p>	 <p>Push balloon down against strap.</p>	 <p>Squeeze balloon near knot & roll forward.</p>
----------------------------------	---	--	--	---

The large hollow space inside the RMS™ Puffed Heart can accommodate a low wattage electric light centered inside.

 <p>Place knot against strap.</p>	 <p>Center strap on balloon</p>	 <p>Squeeze balloon near top spot.</p>	 <p>Pull strap & roll top spot in.</p>	 <p>Center straps on balloons.</p>
--	--	---	---	---

Visit our web site at <http://RouseInternational.com> for photos and more decorating products and decorating ideas.

4 FILL PANELS	<p>Fill Matrix from point at bottom of heart toward top.</p> 	<p>The heart panel will curve upward as you fill in the balloons.</p> 	<p>Repeat for second heart panel with same side turned up.</p> 	<p>Turn over panels & "massage" balloons for smooth, regular finish.</p> 
--------------------------------	--	---	--	--

Ask your distributor about other Rouse Products to make ballooning more fun, more effective, and more profitable.

5 CONNECT PANELS	<p>Place one heart panel on the other, open side to open side.</p> <p>Wrap tabs to connect.</p> 	<p>Start at point of heart. Connect each set of tabs.</p> 	<p>Squeeze opposite edges of heart and insert single balloons, tail first, into openings.</p> 	<p>Massage balloon connections.</p> <p>The four, extra long tabs near the top of the heart may be used to form handles, used as hanging point/s, tucked inside the heart, or just cut off.</p>
