

Rouse Matrix Systems™ Design Project

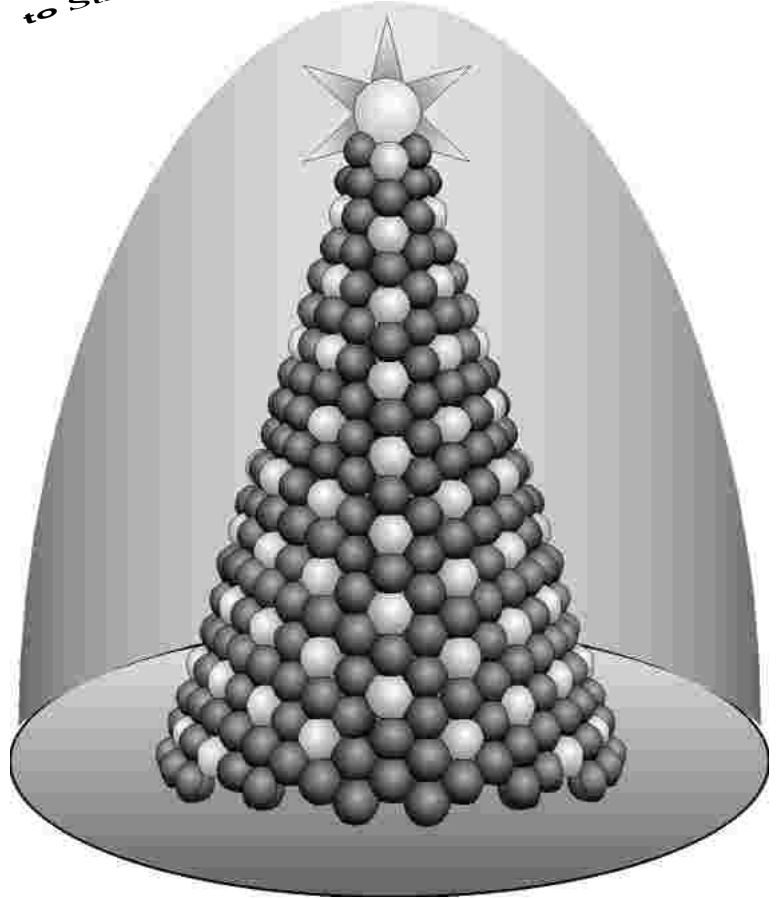

to Stretch Your Imagination™

Materials List

- (6) RMS™ Builders
- (480) 11" Balloons
- (150) 5" to 8" Cable ties
- (1) 8" Diameter balloon template
- (1) Electric air inflator

Assembly Steps

- (1) Use cable ties to connect RMS™ Builder sections together as shown below.
- (2) Inflate and size balloons to 8" diameter with template.
- (3) Load balloons in pattern shown in drawing below.
- (4) Cut out Matrix around balloons
- (5) Pull straight sides together to form a cone.
- (6) Cable tie straight sides together.
- (7) Stand up and decorate tree.

Cone Christmas Tree

6' by 12.5'

Banner Idea !
 You can make a smaller Christmas Tree, 6' tall with 3 RMS™ Banners. Use the same balloon pattern with smaller balloons.
